

Cardiology Monitor

Holter
HT-1000

HT-1000

ECG HOLTER

Cardiology

Features

- Compact size and lightweight.
- 12 ECG Leads data recorder.
- Full disclosure 24/48 hours recording time.
- Fully programmable and high fidelity.
- Unique multi-channel pacemaker detect circuit.
- Automatic and Manual Editing patient data.
- QRS template classification.
- Arrhythmia analysis.
- Heart Rate Turbulence (HRT) analysis.
- Removable SD flash card.
- Flexible communication modes
- Real-time Clock, real-time display of year, month and date.
- Leads-off warning.
- USB interface eliminates flash card reader, lightning fast data transfer.
- Power supply management.
- Multi-languages menu, easy and friendly to operate.
- Low power consumption.
- Single AAA alkaline battery for 96-hour recording of full disclosure, no data compression.
- Meets ISO 13485 Quality Standard.
- Two years warranty.

2 YEARS
warranty

Technical Specifications

Physical Specifications	Dimensions Weight Enclosure Operating Position	68 x 53 x 16mm / 2.68"×2.08"×0.63" 42 grams Molded plastic / water resistant Belt Clip, Lanyard
Functional	Display ECG Signal Verification Channels Recording Data Transfer Frequency Response Input Impedance Gain CMRR Sample Rate Frequency Response Pacemaker Resolution Storage Media	LCD display with ECG waveform LCD at Hook-up or on Demand 3 Channel Digital Disclosure no data compression Embedded USB connector or Removable SD Card 0.05-60Hz ≥ 10 MΩ 0.5 / 1 / 2 ≥ 80dB 128~1024 samples/second 0.05Hz to 60Hz @ -3db Detection 8, 10, 12, or 16 Bit Sampling SD card (128MB~32GB)

Success Through Quality/Since 1988

Advanced Instrumentations Inc.
Success Through Quality,
a Company You Can Trust

Advanced Instrumentations manufactures leading medical technology equipment in the areas of anesthesia, cardiology, operating room, gynecology and obstetrics, IV therapy, patient monitors, hospital furniture, neonatology and ultrasound. We deliver to the healthcare industry the highest-quality standards, reliability, and patient safety in all our products through effective, and rigorous testing procedures by our own department of Biomedical Engineering in the United States. All of our equipment comes with 2 years warranty and excellent post-sale support services.

Advanced Instrumentations Inc. complies with the requirements of the ISO standards 13585-2016 following the audit by one of the most prestigious global certification companies, as it is the SGS. We comply with the requirements and are audited by the US Food and Drug Administration (FDA) an entity of the Health and Human Services of the United States of America. These certifications are the result of dedication and commitment to excellence in our products and services.
